EXPERIENCE

AIRCRAFT MAINTENANCE CRAFTSMEN TEAM LEAD

February 2013 - January 2026

USAF- Barksdale AFB, LA

- Sustained B-52H mission readiness across multiple maintenance roles, including phase inspection, flightline operations, support, dispatch/debrief, and craftsmen duties. responsible for about 36 assets worth \$86 Million each.
- Served as an apprentice, technician, journeyman, craftsman, support craftsman, and dispatch craftsman, building broad technical expertise across 3 Squadrons and 8 Shops in maintenance field.
- Managed aircraft and mission support operations in fast-paced, high-stress environments, including deployment conditions and high-risk missions. Prevented \$13.6 Million in wasted resources.
- Trained new Airmen and junior NCOs on maintenance procedures, accountability, and mission support standards. accumulated approx 10,000 hours of training others.
- Served as building facility manager and ITEC manager, ensuring laptops and mission-support equipment remained updated, functional, and available. Prevented damages estimated \$1.6 Million and personal injuries from deteriorated structure.
- Demonstrated sustained reliability during extended shifts, including standard 9-hour days, frequent 12-hour shifts, and periods exceeding 26 hours when mission requirements demanded it.
- Managed a squadron snack bar fund starting from \$500 and grew it to support six months of operations with approximately \$15K remaining for end-of-deployment events and awards.
- Nominated for Support Professional of the Year and recognized with QA Honor Roll and Bronze-level achievement.
- Awarded Ribbon Awards for Joint Meritorious Unit, Meritorious Unit, Outstanding Unit, Good Conduct, National Defense Service, Global War on Terrorism Expeditionary/Service.
- Awarded Ribbons for Nuclear Deterrence Operations Service, Air and Space Expeditionary Service, Air and Space Longevity, USAF NCO PME Graduate.

EDUCATION

Bachelor of Science in Game Development (B.S.)

July 2026

Full Sail University, Winter Park, FL

Associate of Computer Science
Full Sail University, Winter Park, FL

May 2025

Associate of Applied Science Aviation Maintenance Technology

May 2024

Community College of Air Force, Barksdale AFB, LA

Completed CCAF requirements in Nov 2018, Awarded Degree after COVID-19 and System Backlog.
